A Newsletter for Burman University

Thursday, September 2

We are thrilled to announce that Ubuntu will be hosting auditions TODAY September 2 at 6pm in the Admin Chapel. Come prepared to perform a song that showcases your vocal ability. We will also do a few exercises to assess your range, ability to match pitch and replicate rhythmic patterns, etc. Ubuntu is an official choir and touring group of Burman University. This offers students the opportunity to renew their Music scholarships through participation in Ubuntu. Ubuntu is a way of life captured in the expression, "I am because we are." We are more than a choir; we are a community. More accurately, we are a family. What major events can you look forward to this year? Our inaugural and annual concert: *Unsung*, a marketing and performance tour of the Greater Toronto Area, performances in churches across Central Alberta throughout, and our usual Black History Month performances. **Note:** spots are limited. Follow us on IG: @burmanuniversityubuntu

The School of Education will be hosting a Meet and Greet for All Education students on Thursday, September 9, 2021 @ 6:00-7:30 in M117. Come and hear more about our activities for this school year and collect your Handbook. Snacks will be provided. See you there!

Mark your calendar for an evening of fire, food and fun games at Casey's cabin on Saturday, October 2, starting at 6:00 pm.
